

Festive Season at Amangani

Welcome to Amangani this festive season. Amangani clings to the crest of East Gros Ventre Butte, some 7,000 feet above sea level, and embraces the spirit of the American west. When you're not strolling through our quaint town, tackling the vast and varied ski terrain of Jackson Hole's Rendezvous and Apres Vous mountains or enjoying any number of fun outdoor winter activities, we have an exciting schedule of holiday programs and culinary events for all ages to keep you entertained.

If you would like to attend any of our activities or reserve a table for one of our celebratory meals, please contact a Guest Services Manager. Please note that some activities may have limited availability.

In addition to this special festive program, we also offer our seasonal experiences and activities described in your guest compendium. As always, we will do our best to schedule these activities to best serve you.

We wish you a relaxed and joyful festive season and a very happy New Year!

Please contact a Guest Services Manager if you have any questions (Press 4870)
